BURGHFIELD PARISH COUNCIL

11.0522 Minutes of the last Parish Council meeting

Resolved that the minutes of the meeting of the Parish Council held on 7th April 2022 be approved as a true and correct record and signed by the Chairman.

12.0421 Clerks update

The end of year accounts closedown procedures has been completed with the financial statements having been prepared by council's accountants in preparation for presentation to the Finance and Governance Committee for approval accordingly.

The end of year audit is scheduled for next week. Upon completion the report will be presented to the Finance & Governance Committee meeting.

13.0522 To receive a verbal report from the Chairman

The Chairman advised that a meeting had been held with a CCTV provider who had kindly offered to gift a camera for erection at the common recreation ground to address current concerns regarding ASB. Thames Valley Police are to be granted permission to access the camera via a secure feed.

14.0522 Questions to the chairman previously submitted in writing

The following question was presented to the Chairman by a resident, Alice Hollis:

"The community seems to be severely split by the application for a temporary cafe on the Recreation Ground. I would like to know what steps the Parish Council is taking in response to the ongoing objections. Given the number of different points raised by several members of the community, fears about how our money is being spent during these times of austerity, and the misinformation that is being spread through social media, do you intend to consult with the community over plans for a specific cafe (not a community hub) to address these concerns before progressing the application further? And if not, why not?"

Chairmans response:

The major source of misinformation with regards to the planning application for a Café on the Recreation ground has come from the cowardly, misleading anonymous letter that has been delivered through the doors of a large number of houses in Burghfield. It is this sort of bullying behaviour and deliberate spreading of misinformation that creates splits in the community.

During times of austerity that the parish council should be investing in the community. The provision of a café will provide people the opportunity to meet and socialise over a hot drink without the expense of having to drive their cars or pay for a bus fare.

The parish council has made a planning application and this process will proceed to its natural conclusion. The parish council will continue to consult with the community including being at the May Fayre and the Annual Parish Meeting.

The following question was presented to the Chairman by Cllr D Godding:

"Given that it appears so many objections to the recently submitted cafe planning application appear to be based entirely upon misleading or false information; do you agree the council may need to change its communication strategy so parishioners are better able to identify when they may have been misled by anonymous unaccountable individuals?"

Furthermore, does the chairman agree that some of the published responses contain statements made about both individual councillors and the council as a whole are so offensive as to be bordering on Slander and that West Berkshire planning officer's ought to have a duty to remove such comments"?

Chairmans response:

I agree the council needs to change its communication strategy and approach to regular communication I am asking that this is put on to the communication committees next agenda.

Without a doubt some of the comments made about the parish council are without defamation and I will ask the clerk to write to West Berks Planning office to understand their policy on publishing such defamations particularly where they have no bearing on a planning application.

15.0522 District Council Report

District Cllr R Longton provided a brief verbal report to members.

BURGHFIELD PARISH COUNCIL

16.0522 To receive the minutes of the meeting of the Infrastructure Committee meeting held on 7 April and 28 April 2022 approve the recommendations therein
